

Our Guarantee

All Maiers Tools are warranted in material, temper and workmanship. If one should fail through fault of manufacture, return it to us. It will be replaced or money refunded.

The cuts on the chart are exact size, though the sweeps in a few cases may vary slightly from the tools, as it is difficult to illustrate the exact sweeps of some tools.

When requested, we will fit handles to our Carving Tools for an extra charge of 12 cents each, including handle.

We will supply our Tools properly sharpened for 5 cents each extra for all chisels to $\frac{1}{2}$ " wide, for all others the charge for sharpening is 10 cents each.

HOW CARVING TOOLS ARE MEASURED

Nos. 1 to 32, width of cutting edge measured in a straight line from point to point. Nos. 41 to 46, length of one side of cutting edge.

HOW TO ORDER

When ordering Carving Tools from this list, state quantity wanted, tool number, and whether tool should be straight, long, short or back bend.

PRICES AND TERMS

All orders not accompanied with remittance will be shipped Parcel Post C. O. D. including postage, unless credit has already been established.
